Weatherization Program

Does your house feel cold?

Do your heating bills seem high?

Does your house need more insulation?

Does your heating system need to be serviced or replaced?

Do your doors or windows need to be repaired?

If you are a renter or a homeowner, we can make your home more energy efficient and comfortable - and save you money on heating bills.

Am I eligible to Participate?

- For Weatherization, you can be a homeowner or a renter. For Minor Home Repairs you must be a homeowner & in need of Weatherization services.
- You must live in Okanogan County.
- Your household income must be within the federal income guidelines listed below. All income limits are subject to annual adjustments. Please consult a program staff for the most current figures.
- Apartment buildings may qualify for weatherization services if at least 50% of all tenant households are income eligible.
