Support Services for  
Veteran Families

## ABOUT SSVF

Funded by the Department of Veteran Affairs, the Supportive Services for Veteran Families (SSVF) Program was founded upon the principles that every Veteran has a right to housing.

Through outreach, case-management services, assistance in obtaining benefits and emergency financial resources, the SSVF Program seeks to prevent Veterans and their families from becoming homeless and seeks rapid rehousing for those who have lost their homes or are homeless.

## WHAT WE DO

- Outreach to Veterans who are homeless or at risk of homelessness.
- Assess eligibility for services.
- Provide opportunities for housing.
- Provide intense navigation to agreed upon services.
- Provide support through case management to increase skills and income of participants.
- We can help Veterans connect with resources for free legal services.
- Provide skilled staff to help with obtaining and changing both VA and disability benefits.
- May provide financial support that directly leads to housing.

## DONATIONS WELCOME!

Housing prices have skyrocketed beyond what many can afford and more people are relying on our non-profit organization for help with eviction prevention, temporary shelter, utilities, food, hygiene supplies, or even just a tent, sleeping bag, or coat to keep warm.

Kindness towards others demonstrates the highest level of humanity within us. Even the smallest gift helps.
